"We get you there when you can't."

VCS™

***Virtual Condolences
and
Congratulations Services***

How does it work?

Funeral directors using the recommended equipment work with **In-Person Away Virtual Events** to bring our VCS™ Virtual Condolences and Congratulations Service to families.

Friends and family members will use a pc, laptop, tablet, or smartphone equipped with a camera and microphone, along with a reliable internet connection, to attend the event via the link provided in a separate email.

There are only four simple steps for guests to attend.

1. **Contact In-Person Away Virtual Events** with the decedent's name, the date and time of the service, and the name of the funeral home.
2. **Complete** the request form to access the event (valid email required).
3. **Pay** for the service using PayPal.
4. **Open** and **review** the email sent 48 hours before the event. It will contain the access link and instructions to join the event.

The Event

This is a VCS™ Virtual Condolences and Congratulations Service. Guests will have an opportunity to speak with the family during the scheduled visitation hours*. The VCS™ will end five minutes prior to the start of the service unless otherwise noted.

*The time allocated for each guest to speak to the family will be based on the total number of guests and the length of the visitation.

Packages and Pricing

With the high cost of last minute travel arrangements, it is often difficult to attend funeral and memorial services for those close to us on short notice.

Our VCS™ Virtual Condolences Service allows family members and friends, who are out of town, or otherwise unable to attend the service, to share their expressions of sympathy with the bereaved family from wherever they are.

In-Person Away Virtual Events, LLC provides a platform that allows friends and family members to:

- Speak with the family using real-time video to share condolences *(2 people per line)*
- View an electronic version of the program
- Obtain a keepsake DVD of virtual condolences for later viewing *(Included at no cost for primary immediate family member(s) of the decedent)*

Pricing

Only \$150.00 *(2 people per line*/3 line minimum)*
Plus \$150.00 non-refundable setup fee per family.

***Additional \$24.99 charge for each person over 2 (age 12 and over)**

At times like this, distance shouldn't matter...Period.

Who We Are

Until August 2005, Linda F. Williams was a resident of New Orleans. After Hurricane Katrina devastated and destroyed the city, families were scattered across the country. When special family events were held, coming together was extremely difficult due to high travel costs and great distance.

In-Person Away Virtual Events, LLC was born out of a selfish desire for Linda and her family to share their precious and trying moments together in spite of the distance that separated them. It is the result of using her creativity to marry technology and innovation resulting in something unique and extraordinary.

What We Do

Through our VCS™ Virtual Condolences and Congratulations Service, **In-Person Away Virtual Events, LLC** coordinates with on-site event planners to plan and execute virtual baby showers, bridal showers, graduations, birthdays, pastoral anniversaries, baptisms, baby blessings, and other celebrations.
